CONSUMER CHOICE AWARD BUSINESS EXCELLENCE

What a wonderful 30th year we have had to date. We instituted a bold plan to adopt 30 new schools (we are at 22 and counting); increase membership by 30%; increase our support for teacher education initiatives and to host a Parenting Speakers series.

We started in January with an overhaul of our membership and marketing materials and produced an updated PACE video for the 30th year. We upped the ante on Social media platforms and ended the month with a Patrons event in hon-our of our 30th year with a goal to raise $30,000.00 and we want to thank all those who contributed to making that event a success.

We said good bye to some important and stalwart PACE members and supporters; Keith McLeod, Fay Conville, Norma Fernandez, Dr. Inez Elliston and Raphaelita Walker and they are sorely missed but will never be forgotten by the PACE family.

In fact Raphaelita Walker attended the 2016 Christmas Toy drive coming straight from the hospital after a cancer treatment. True dedication indeed.

In April several board and Pace members visited over 50 of our adopted schools in Jamaica (now numbering over 300) and got a first hand look at what some of the schools are doing; we met with the Jamaican Minister of Education the Hon Ruel Reid and we met with the Chair of the Early Childhood Commission-Tricia Williams-Singh to hear their plans for the education sector.

It seems like only yesterday that Dr. Mavis Burke and a team of dedicated women got together to make PACE Canada a reality. Over the 30 years hundreds of teacher scholarships both in Jamaica and Canada have been disbursed; our Tech De Bus continues to visit schools; we have supported over 300 basic schools with everything from books, equipment to stoves and kitchen equipment-all donated by our generous Adopt-A-School sponsors and we continue our partnership with the Boys & Girls Club of Scarborough.

We found a new home thanks to JN Bank who have generously "adopted us" and allowed us office space in their building.

The Strawberry Social is however always special. I am reminded that PACE member Heather Bubb-Clarke was the person who had a great idea for a tea and now we have an annual social. It is our major event for the year and it is also the time of year when we feel inspired by endless possibilities to pay tribute to those who led the way and who worked to get us to this milestone.

The work we do at PACE Canada is serious and important. Your being with us this afternoon helps us achieve our goals of changing the lives of children, teachers and parents in our community. Every contribution goes a long way, and we do and continue to make a difference.

When planning any event there is a tremendous amount of work that has to get done and I want to thank the organizing team, our patrons our board, our volunteers, our sponsors and all who helped to make this afternoon possible. We also could not do it without You.

I hope you will be inspired to join us by adopting a school; contributing towards a PACE adopted school and by becoming a member.

Every contribution of time talent and money makes a difference

Plan to up your donations (if you can). Encourage friends and family to get involved and most importantly please do share your ideas with us.

I am as always honoured and privileged to serve as I stand on the shoulders of past Presidents and members who paved the way to allow us to continue the goal of Helping Young Children Succeed.

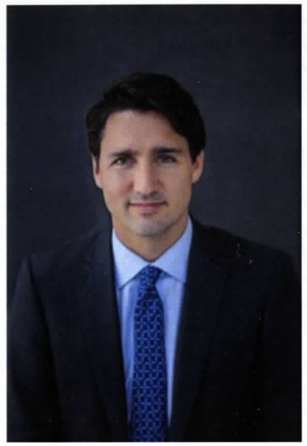
PRIME MINISTER · PREMIER MINISTRE

June 4, 2017



Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the Strawberry Social hosted by the Project for the Advancement of Childhood Education (PACE).

Since it was founded in 1987, PACE has worked to ensure that all children receive the support they need to grow and learn. As you gather to celebrate your 30th anniversary, you can take pride in knowing that your efforts and the generous contributions of your supporters have made, and continue to make, a difference in the lives of those most in need.

Please accept my best wishes for an enjoyable afternoon, as well as for every success in meeting your fundraising goal.

Sincerely,

The Rt. Hon. Justin P. J. Trudeau, P.C., M.P.

Prime Minister of Canada

THE LIEUTENANT GOVERNOR OF ONTARIO

June 4, 2017

It is with pleasure that I extend warm greetings to everyone gathered for the 2017 Strawberry Social in support of PACE Canada.

Ontario is strongest when everybody is equipped to achieve their full potential. For 30 years, P.A.C.E. Canada has united people in their desire to increase the opportunities of deserving children. By working to make education more accessible to all, this esteemed organization continues to empower countless young people to develop, gain skills, and shape our future.

The year 2017 marks the 150th anniversary of Confederation, and is a moment when all Canadians can engage in dialogue about who we are, and wish to be, as a people.

I thank PACE Canada, and its staff, volunteers, and supporters, for their dedication to building a more just society, and I look forward to what it will continue to contribute.

Please accept my very best wishes for an enjoyable social..

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am delighted to extend warm wishes to everyone attending the annual Strawberry Social of Project for the Advancement of Childhood Education (P.A.C.E.) Canada.

Like you, I believe that education is an investment in our young people and in our future. Learning begins the moment a child is born. Early childhood education has proved to be beneficial, particularly to children from economically disadvantaged families. It prepares them for formal schooling, promotes socialization, and plants the seeds for literacy and numeracy.

I commend the leadership, staff and volunteers of P.A.C.E. Canada for their commitment to early childhood education, both in Canada and Jamaica.

To everyone present today thank you for your generosity. Please accept my best wishes for a successful fundraiser.

Premier

Greetings from the Leader of the Official Opposition

June 4, 2017

I am pleased to extend my warmest greetings to all those attending this evening's celebration of the 30th anniversary of the Project for the Advancement of Childhood Education (P.A.C.E.).

For three decades, P.A.C.E. has been engaged in the crucial work of breaking down barriers to opportunity by making important investments in youth education. In the years since 1987, Dr. Mavis Burke's remarkable vision for the youth in Jamaica has been imported here, and in the process, has served children in Ontario through P.A.C.E. Canada's support for teacher training, parental partnerships, and vigorous children's advocacy.

Through your tireless efforts to shore up the critical early skills that will have a major impact on development later on, P.A.C.E. Canada is empowering people to change their lives and the communities in which they will live, work, and play.

You should be commended for your positive work in helping young people seize every opportunity for success that exists in Ontario. By focusing your attention on the next generation of Ontarians, particularly in the all-important area of education, P.A.C.E. Canada exemplifies service to community.

Success for you is not defined only in terms of positions or promotions. Instead, it is the measure of how many young lives you are able to inspire and motivate through your work. I am pleased to celebrate 30 years of success with all of you. Thank you for the many contributions you continue to make to our province.

Best wishes for a successful event!

Patrick Brown

It is wonderful to realize that P.A.C.E. has been in existence for 30 years. We owe a debt of gratitude to a growing number of members and volunteers who have joined us in this effort — both those who remembered their own Jamaican heritage, and many others who understood the urgent need to improve conditions of early childhood education for disadvantaged young children in Jamaica and here in Canada.

We thank Sandra Whiting and successive presidents for taking on the responsibilities and providing impressive leadership for the organization. We are an organization that has functioned without government assistance and we have had *extraordinary* contributions from *ordinary* people. Mary Sargent's and Jackie Thomas' longtime secretarial help has contributed to making this day possible.

P.A.C.E. has been able to contribute to teachers education in Jamaica; school materials, and safe play areas. Our members are to be congratulated for close encounter with the schools they adopted. They know that their dollar a day for a year will be well spent, and there is a good relationship with teachers and children.

I take this opportunity to express my appreciation to my own family, and that of others, who have survived the pressure of filling in for P.A.C.E.'s need of office space. I would like to share with you the wonderful introduction of P.A.C.E. to the public made by the "Jamaica Proud" television presentation developed by my cousin Rick Davis. A special thank you to my niece, Diane Burke, who inspite of her many responsibilities has agreed to take over my advisory roles for P.A.C.E. when my health prevented me from continuing. Under her guidance P.A.C.E. has introduced a number of innovative programs and I thank her on your behalf.

In closing I quote from Jamaican poet Olive Senior's Jamaican woman expression of strength - "If I could balance water on my head, I can juggle worlds on my shoulder".

We include all contributors in this greeting. P.A.C.E. Canada thanks you all and urges you to continue your excellent contributions and volunteer work.

Dr. Mavis Burke P.A.C.E. Founder

Office of the Honourable Minister of Education, Youth and Information Senator Ruel Reid

It is my pleasure and honour to bring greetings on behalf of the Ministry of Education, Youth and Information. This is indeed an important fundraising event worthy of celebration and I offer heartfelt congratulations to the Project for the Advancement of Childhood Education (P.A.C.E.) Canada for the organization of this annual act of goodwill.

I encourage everyone to show their generous support for the Organisation's event, as the volunteers work to strengthen the bonds between Jamaica and Canada. The vital role that the P.A.C.E. plays in enhancing the lives of people in urgent need of assistance has not gone unnoticed. This charity gala plays a critical function in the philanthropic enterprises organized by the Project for the Advancement of Childhood.

Education in their roster of activities. The P.A.C.E.'s programmes and projects have a track record of delivering on implementation goals and can show tangible results.

The Ministry of Education, Youth and Information has the National Education Trust as its philanthropic arm, to support your institutional priorities so that we can continue to advance our mutually longstanding vision and mission for many years to come. We must continue to engage in collaborative solutions with stakeholders to meet the voluminous needs of our people in need of benefaction.

I wish all the organizers and attendees every success, as well as an enjoyable experience.

A Message from the Minister

I am delighted to extend greetings to everyone attending PACE Canada's annual Strawberry Social. I would also like to congratulate all of you on the special occasion of PACE Canada's 30th anniversary, an exciting milestone that speaks to your enduring dedication and diligence.

For three decades, PACE Canada has promoted early childhood education for socio- economically disadvantaged children through responsive community efforts. This social is a wonderful opportunity for you to come together and celebrate your accomplishments.

All parents want the best for their children, and that means making sure they get the best possible start in life. That is why early child development programs are a priority for my government – we want families to have easy access to supports and services at all stages of their child's development. As Ontario's Minister of Children and Youth Services, I am committed to helping children reach their full potential.

As you celebrate 30 years of service, please accept my best wishes for a memorable gathering. Thank you for making a difference in the lives of Ontarians.

To the Attendees of the Project for the Advancement of Childhood Education Canada's Annual Strawberry Social:

On behalf of the Ministry of Education, I am delighted to extend my best wishes to everyone at the Project for the Advancement of Childhood Education (PACE) Canada's Annual Strawberry Social on this, your 30" anniversary.

As many of you know, I came to Canada from Jamaica when I was four years old. For as long as I can remember, my parents stressed the importance of education. And that is why, like you, I am committed to lifelong learning beginning with the especially important early years.

But We know that education is about more than just learning to read and Write. It is also about ensuring supportive learning environments that help our children gain the knowledge, skills and confidence they need to be successful and engaged people. And PACE Canada has been instrumental in helping communities do just that.

I would like to thank P.A.C.E. Canada for your commitment to early childhood education, both in Jamaica and Canada, over the past thirty years. Your significant contribution to improving student achievement and Well-being through supportive programs that begin with our youngest learners helps ensure a pathway to their full potential.

Please accept my best wishes for a successful and enjoyable event and congratulations on your 30" anniversary.

Mitzie Hunter, MBA
Minister of Education

JAMAICAN HIGH COMMISSION

Message to P.A.C.E. Canada on its 30th Anniversary

P.A.C.E Canada, through its work, and dedication has lived up to the expectations of its founders in building education both in Jamaica and Canada.

From its inception, thirty (30) years ago, P.A.C.E. Canada has accomplished much through its emphasis on improved early childhood learning, support to training for teachers, information given to healthcare providers and the fostering of a partnership with parents to ensure that they are integrally involved in the educational development of their children.

I am therefore honoured, on behalf of the Jamaican High Commission, to extend best wishes and warmest congratulations to the Executive and members of P.A.C.E. Canada on this significant anniversary. You can take much pride in all that your spirit of care, selflessness and commitment has achieved in elevating the educational prospects of Jamaican children.

May you continue to grow in strength and support. With warmest wishes for the future.

Janice Miller

Project for the Advancement of Childhood Education
30 YEARS ANNIVERSARY

2017 is our 30th ANNIVERSARY

WE WANT TO ADD 30 NEW SCHOOLS TO OUR ROSTER

WE WANT 300 NEW DONORS & SUPPORTERS

WE WANT TO OFFER 30 NEW TEACHERS SCHOLARSHIPS

WE PLAN TO LAUNCH A SPEAKER SERIES

WE PLAN TO HAVE A PARENT CONFERENCE

WE NEED YOUR SUPPORT AS WE CONTINUE THE LEGACY OF SUPPORTING BASIC SCHOOLS IN JAMAICA AND EDUCATIONAL PROGRAMMES IN CANADA.

Did you know…George Brown College has a long history with P.A.C.E. Canada. In 2003, the School of Early Childhood was awarded a 5 year project in Jamaica from the Association of Canadian Community Colleges, funded by the Canadian International Development Agency. In 2008, the college was awarded a further three year project to continue work in Jamaica in cooperation with the Early Childhood Commission and Shortwood Teachers' College. Our connection with P.A.C.E. included orientation sessions for our faculty and students travelling to Jamaica and our attendance at fundraising efforts at P.A.C.E. The College also prepared presentations of our work for meetings held by P.A.C.E. P.A.C.E. also hosted our Jamaican colleagues who travelled on study tours to Toronto. Our association has been an opportunity to engage and learn from each other. As we continue to develop our partnership, the college has adopted Newlands Basic School which is located in Portmore, and students and faculty visit annually.

Our mission is the promotion of early childhood education with a special focus on children of ages 3 to 5 in situations of racial, cultural or economic disadvantage. Our goal is to mobilize and support community-based efforts to ***help young children succeed***.

Our programs address the most urgent needs of young students:

- **Adopt-A-School:** Providing developmental opportunities for 3 to 5 year olds;
- **School Supplies**: Donations are used to purchase boxes of school supplies;
- **Teacher Training**: Scholarships and bursaries are provided to ECE students in Jamaica and Canada;
- **Tech de Bus:** Since 2009, this initiative provides a hand-on environment to teach basic computer skills;
- **Music and Movement:** We provide funding for this program at the Sam Sharpe Teachers' College in Montego Bay;
- **School Construction:** We are a partner in building the Infant School and Diagnostic Centre at Sam Sharpe Teachers' College;
- **Support in Canada**: In 2016 we provided a playground at the Boys and Girls Club of East Scarborough;
- **Awards**: Recognizes Leadership and Community Contribution;
- **Parent and Teacher Forums**: We facilitate education sessions and provide practical forms of assistance;
- **Special Initiatives**: A number of special programs including learning resources and facilities.

YOUR HOST: ITAH SADU

As a dynamic entrepreneur and community builder, Itah Sadu utilizes creativity, leadership and teamwork to build infrastructure and legacy in communities.

Her objective ... To work with organizations that engage in programs for youth with the focus on education, pathways and community economic development.

Itah Sadu is a distinguished storyteller and children's author. She has published How The Coconut Got Its Face, Name Calling, Christopher Please Clean Up Your Room, and Christopher Changes His Name. Her books have been adopted by schools for curriculum and adapted to film.

She is also co-owner of a popular Toronto bookstore, A Different Booklist.

KAREN DURRANT: TINA TURNER TRIBUTE

Karen Durrant is widely-regarded as the #1 Tina Turner look-alike and impersonator in the world! If you are a true fan of Tina Turner, then you will surely love Karen Durrant. Her spellbinding tribute to Tina has left audiences wondering whether they were seeing the real thing.

Born in Montreal, Durrant was raised in Toronto and lives there today. She took the music program at Humber College and while she was there, she began singing back-up for a contact of one of her teachers. As a professional singer Karen Durrant's voice can be heard on radio and television. She has toured in Canada, Australia, Arizona, Bermuda and many more major cities.

Karen has performed for audiences in excess of 5,000 people, as well as having firmly established herself as one of the most sought-after tribute artists in the world, entertaining in the finer Casino show rooms in North America, sold out Concert venues, and numerous corporate events.

HERITAGE SINGERS

The Heritage Singers is a Non-profit organisation, which was founded in January, 1977 by its Musical Director, Grace Carter-Henry Lyons. Grace's folk music experience began in her native Jamaica with the Jamaica Folk Singers under the direction of Ms. Olive Lewin. They have developed a rich repertoire of music, from sacred to secular, work song to lullaby, seasonal ditty to perennial ballad. The languages of these songs range from discernible Standard English Creole with an English-Lexical base, to French patois, informal Spanish and African dialect.

The late Hon. Louise Bennett-Coverley, O.D., played an integral part in developing the group's repertoire. She wrote many of the songs and the group performed with her occasionally.

DJ EUGENE CHANG

DJ Eugene Chang of Psycho Soul is a highly respected and talented Toronto DJ, whose repertoire is one of the most diverse. He is able to deliver selections to set the mood for the perfect atmosphere, whether you are hosting a Luncheon, Dance Party, Fundraiser, or Wedding - always with a clean, clear, enjoyable sound.

His extensive collection of songs includes the best of Soul, R&B, Hip-Hop, Reggae, Dancehall, Rock Steady, Ska, Mento, Rock, Rock & Roll, Jazz, Country, Latin, Funk and Disco. He has performed to high acclaim with the Fab 5 band and Merritone Music and is the resident DJ for PACE and Soccerfest events, among others.

ADOPT-A-SCHOOL PROGRAM 1987-2016

400+ Schools	400,000+ Students	1000 Gift Boxes	200+ Teachers	TECHNOLOGY: Computers, Bus, Laptops

Basic Schools have been established by caring, community-minded individuals, churches, and organizations that understand the long-term value of providing developmental opportunities for 3 to 5 year olds. There are more than 2,600 of these schools registered with Jamaica's Early Childhood Commission serving 130,000 children in the early childhood education sector. The need for support is huge.

In 2016 the Adopt-A-School Program welcomed 22 newly sponsored schools and sponsors, for a total of 380 schools supported by PACE over the last 30 years. P.A.C.E. directly sponsored 15 schools, and others are sponsored by the continued and generous support of members and associates. Sponsorship funds of $97, 832 CA was remitted to 244 schools. An additional $7,900 was sent to 72 schools as Gift Boxes of educational supplies.

Through our Adopt-A-School program, P.A.C.E. (Canada) is investing in the provision of brighter futures for more than 12,000 little girls and boys, each year.

2017 Field Trip To Jamaica

Visits to our PACE Adopted Schools

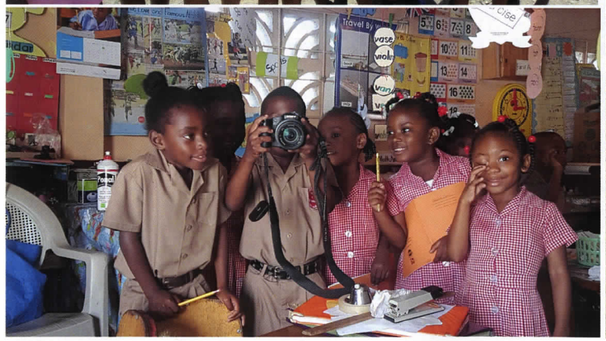
It has become a tradition that every two years the board and members of the organization who are able to spend one week in Jamaica visit some 50-70 of the Basic Schools we support.

It gives us a snapshot of schools in the various parishes and allows us to put a face to the names and to meet "our children".

These visits are coordinated with the help of the Early Childhood Commission and their Development officers who take us to the various schools. Up hills, down into valleys, along many winding roads, from the country to the inner city, their staff that take us to meet the principals and teachers do a stellar job.

And it is always a pleasure to meet the children who share their songs and show us their work.

Jamaica is as always moving forward to make sure every child succeeds and these visits remind us of the importance of our contributions.



Join Us November 4th

The Adopt-A-School event to be held at the Jamaican Canadian Centre 995 Arrow Road, Toronto.

Will you be one of 30 new school sponsors to celebrate our 30th year? No need to wait till November.

Our Partner

For the past 50 years, the Boys and Girls Club of East Scarborough has been dedicated to providing accessible and quality early childhood development and youth programming, utilizing a holistic approach to prevention. The Club addresses all facets of healthy child, youth and family development through a continuum of services and programming that promotes healthy lifestyles, personal competency, self-esteem, social and cultural integration and a sense of belonging.

P.A.C.E. Canada has provided funding to enable them to build a new playground for the children. The proposal has been approved by the Toronto School Board, and the detail design is underway.

Message from the Early Childhood Commission (ECC)in Jamaica

The Early Childhood Commission (ECC) commends the Project for the Advancement of Childhood Education (P.A.C.E.) Canada on attaining the significant milestone of thirty (30) years of sterling service to early childhood development and education. The first eight years of a child's life have a direct bearing on the future and learning outcomes of that child. Over the years, P.A.C.E. Canada's foresight and commitment have contributed to the kind of investment needed to ensure the future of Jamaica's youngest children and by extension, development of the country.

P.A.C.E. Canada's support and continued investment in 317 Early Childhood Institutions (ECIs) have helped these schools to move a step closer to achieving the twelve (12) Legal Operating Standards for Certification by the ECC. This number represents 12% of the two thousand three hundred and thirty (2730) ECIs in operation, at present, in Jamaica. In 2016, P.A.C.E. Canada invested more than J$10 million and so far in 2017 more than J$5 million has been allocated to early childhood development in the country.

Of the total number of ECIs in operation in Jamaica, three hundred and seventeen (317) or 12% are Infant Schools/ Departments which are Government owned and operated. There are also twelve (12) or 0.4% Government supported Daycare Centres which are operated at Women's Centres. Six hundred and thirty-one (631) or 23% ECIs are operated privately as Daycare/Nursery, Kindergarten and Preparatory Schools, while one thousand, seven hundred and fifty-nine (1,759) or 64% are basic schools which are either privately or community owned and operated.

The ECC is working with the ECIs and stakeholders to attain a target of 300 ECIs certified by 2019. The Commission therefore looks forward to the continued collaboration with P.A.C.E. Canada, other partners and stakeholders as we *invest today for tomorrow* to make Jamaica, *the place of choice to live, work, raise families and do business.*

Message from the Dudley Grant Memorial Trust

The late DRB Grant was particularly interested in the development of basic School teachers. He developed training programmes, provided training materials, and conducted train the trainer workshops. When the teachers went through the basic level of training he coined the word "Para-professionals" in an attempt to boost their self esteem, knowing that our children would be the main beneficiaries. This resulted in better interaction with the children in their care.

Due to his advocacy work with policy makers, he was instrumental in the then Prime Minister of Jamaica, The Honorable Edward Seaga, reaching out to Jamaicans abroad seeking their contribution to early childhood development in Jamaica.

PACE Canada, was announced by the Jamaica Government in 1987, as a major initiative to upgrade the quality of education for young children in Jamaica. It was announced as a 5-year project, marking the island's 25th year of independence. *Congratulations to the PACE Canada team on making it to 30 years this year.* The Primary function of the Trust is to advocate on behalf of ECD in Jamaica. This is done through several objectives of the Trust, one of which is Collaboration with our many partners. I hope this is no surprise to you, that Outside of the University of the West Indies, PACE Canada, is the one partner with which the Trust has enjoyed the longest relationship.

I especially want to thank PACE Canada for cementing the partnership by continuing the DRB Grant Memorial Scholarship. I will share a little more history with you. Women for PACE Canada Was established in 1987 with Mr. Grant being the main person in Jamaica. Mr. Grant passed away in 1988, the year of Hurricane Gilbert.

In 1989, the Trust was established in his memory. Also in 1989, the Founder and then Chairman of Women for PACE Canada (Dr. Mavis Burke) not wanting the DRB Grant legacy to fade, established the DRB Grant Memorial Scholarship for final year college students pursuing a course in early childhood education.

I am very happy to say that over the course of time, this scholarship/bursary has benefitted over 60 students. The awardees are bonded to serve the early childhood Sector for 2 years after completing their studies. Thus far only one student has broken her bond and returned the funds. The students appreciate the contribution to their education because many of them are struggling with financial challenges and the high cost of tuition is becoming burdensome for many of our students.

Thus, on behalf of the students I want to say a big thank you to Our partner PACE Canada for you tireless efforts in fundraising and also for continuing the DRB Grant legacy. Lets continue to work for our young citizens. Congratulations PACE Canada. Cheers!
